REGULAR MEETING,

FRANKFORT, KY., Nov. 4th, 1879.

Present—His Honor the Mayor and Councilmen Bryan, Burns, Church, Luscher, and Todd.

Absent—Councilmen Duvall and Tobin. Minutes of last meeting read and approved.

Petition of Gen. Jno. Rodman, asking the Board to take some definite action in regard to his claim against the city (\$2,000) for legal services rendered in connection with lottery grant. Councilman Church moved that the proposition made in writing be accepted. Whereupon Councilman Todd called for the yeas and nays, which resulted as follows: Those voting in the affirmative were His Honor the Mayor and Councilmen Bryan, Burns, Church, and Luscher—5. In the negative, Councilman Todd—1. So said motion was adopted.

Present—Councilman Duvall.

Councilman Todd moved that Mrs. F. T. Lyons be allowed 200 bushels of coke from the gas works, and that one cart load be delivered now and the rest delivered as it is made, which was adopted.

The City Officers' reports were received and appropriately referred.

Councilman Church, from special committee, reported adversely on the resolution offered by Councilman Todd in relation to a reduction of salaries of City Officers. By same, from street committee, in relation to a sewer near the corner of Steele and Cross streets, in South Frankfort, which was recommended to the committee, to ascertain the cost of same and report. By same on the petition of J. M. Todd for a sewer on Washington street, the committee reported favorably, and upon motion the work was ordered to be done.

Councilman Todd moved that the Charity Committee have power to put needy persons on the regular pauper list and also have the power to strike unworthy persons from the list, which was adopted.

Councilman Baras, from the License Committee, reported in favor of transferring Sam. Calvert's license to Simon Perry for the remainder of the year, which was adopted.

Sundry petitions in reference to making new pavements, opening alleys, placing new names on the pauper list, &c., were presented and either referred to committees or disposed of.

On motion the Board went into EXECUTIVE SESSION.

Councilman Bryan from the Finance Committee, made a verbal statement in regard to a settlement with Jere Lee, late City Marshal, and moved that he be released in full from all fines and costs collected by him as Marshal of the city on his paying into the treasury the sum of \$468 37, the amount charged to him by W. H. Sneed, Police Judge, is \$668 37, and that the Clerk be directed to issue him a quietus on account of fines and costs.

Sundry accounts were presented, examined, allowed, and ordered to be paid, and then, upon motion, the Board adjourned.

Terribly exhausting are the night sweats which accompany consumption. But they, as well as the paroxysms of coughing, are invariably broken up by Dr. Wm. Hall's BALSAM FOR THE LUNGS, which conquers the deadly malady, as well as bronchitis, pneumonia, pleurisy, asthma, diphtheria, and all other affections of the throat, lungs and chest. It saves thousands from untimely graves, and is invaluable in rescuing children from the croup, whooping cough and quincy. Sold by Hughes & Chiles, Druggists.
